

Peckar & Abramson Once Again Recognized Among Construction Executive's "Top 50 Construction Law Firms™"

Peckar & Abramson, P.C. (P&A) is pleased to announce that it has once again been ranked among the top of Construction Executive's (CE) "The Top 50 Construction Law Firms™." P&A has been recognized in this manner since 2019, the inaugural year of the publication's rankings.

According to CE, its 2024 ranking was the result of a rigorous and comprehensive survey that invited numerous U.S. law firms with a construction practice to participate. The data collected focused on unique metrics such as the firm's construction practice, number of attorneys and clients, and year of establishment. CE's algorithm meticulously weighed these factors, among others, to determine the ranking, ensuring the credibility and accuracy of the recognition.

Firm Chair [Steven M. Charney](#) commented, "We are honored to be recognized as one of Construction Executive's "Top 50 Construction Law Firms." This recognition serves as a resounding testament to our commitment to the construction industry and our team's hard work and dedication. We remain committed to providing exceptional legal services to our clients and striving for excellence in all we do."
