

## Peckar & Abramson Named National 2025 “Law Firm of the Year” in Litigation – Construction by Best Law Firms®; Earns 33 National and Metropolitan Rankings

Peckar & Abramson, P.C. (P&A) is pleased to announce that the firm has been named the national “Law Firm of the Year” in Litigation – Construction in the 2025 edition of *Best Law Firms*®. The publication states only one law firm per nationally ranked area of practice is selected annually for this prestigious honor.

In addition, the firm has been ranked nationally in 5 practice areas and regionally in 12 practice areas. Peckar & Abramson, P.C. has distinguished itself in the legal industry, earning this prestigious accolade. This is the 16th consecutive year P&A has been ranked nationally in the top tier for construction law and litigation.

According to the publication, firms in the 2025 Best Law Firms® list are recognized for professional excellence with impressive ratings from clients and peers. To be considered for this milestone achievement, at least one lawyer in the law firm must be recognized in the 2025 edition of *The Best Lawyers in America*.®

“As a firm that prides itself as a leader within the construction Industry, it’s a true honor to receive the prestigious ‘Law Firm of the Year award,’ alongside recognition in numerous national and regional rankings from *Best Law Firms*®,” said P&A Chair [Steven M. Charney](#). He continued, “16 consecutive years of being recognized as a top-tier firm highlights P&A’s depth in construction law and litigation – forged through a relentless commitment to excellence, innovation, and client satisfaction.”

The 2025 edition of *Best Law Firms*® features rankings across 75 national and 127 metropolitan-based practice areas. The firm with the highest rating in each national practice area earns the distinguished “Law Firm of the Year” honor. The publication states that their transparent, collaborative [research process](#) combines qualitative and quantitative data from peer and client reviews, powered by proprietary algorithmic technology, to create a tiered system highlighting the top 4% of firms in the legal industry.
